

Tom Angleberger and Cece Bell to Speak at Curious George Lecture

Cambridge, MA, April 26 -- Tom Angleberger and Cece Bell, the author/illustrator couple who create memorable books for children including Bell's Newbery Honor-winning autobiography *E/Deaf* and Angleberger's popular Origami Yoda series, will be the speakers of the fifth annual Margret and H.A. Rey Curious George Lecture. The lecture will take place virtually on Thursday, April 29, at 6:30 p.m.

The Margret and H.A. Rey Curious George Lecture connects children and their families to the magic of reading through a memorable experience with an author or illustrator. The lecture series is an initiative developed in partnership with the Cambridge Public Library, the Curious George Fund, and the Cambridge Public Library Foundation.
